Diamond Staffing Solutions To Offer Free Staffing Consultations In Las Vegas June 4-6.

Derry, N.H. – April 1, 2004 -- Diamond Staffing Solutions Inc. will be offering free half-hour staffing consultations in Las Vegas on Friday, June 4, Saturday, June 5 and Sunday, June 6. Limousine transportation will be provided from the Sands Convention Center to Diamond Staffing's luxurious business conference location, allowing jewelers a respite from the jewelry show and a place to focus exclusively on staffing concerns.

"We want to make this a place where jewelers can come to put their feet up, have a cappuccino or San Pellegrino, and relax," says Suzanne DeVries, President of Diamond Staffing Solutions Inc. "We're excited to be in Las Vegas, and we are prepared to help everyone, from small independents to large jewelry companies."

Diamond Staffing Solutions is a national placement service that focuses exclusively on the jewelry industry and is dedicated to bringing clients the best talent in the industry. Consultations will be by appointment only. To facilitate the consultations, jewelers can choose to fill out a questionnaire prior to meeting with Diamond Staffing Solutions. This will help identify and prioritize the most important staffing challenges and enable jewelers to make the most of the consultation.

To set up a consultation or for more information on services, including store visits, contact Diamond Staffing Solutions, Inc. at 603.437.2629 or Suzanne@diamondstaffing.com
