Dates and Times: October 1st, 2nd, and 3rd	
Friday, 1:00pm - 5:00 pm	Tour of Stuller Global Headquarters and an Introduction / Orientation from Matt Stuller and Chuck Lein. A reception for those attending will be held at 6:00pm.
Saturday, 9:00 - 4:00pm	Workshops and Demonstrations will be held throughout the day. Complimentary refreshments and Lunch will be catered.
Sunday, 9:00am - 2:00pm	The same agenda will be followed as Saturday, only ending earlier. Complimentary refreshments and Lunch will be catered.

Industry experts such as Kate Wolf, Jurgen Maertz, Jeff Mathews, Mark Mann, Sam Alfano and members of Stuller's renowned manufacturing staff will be hosting bench demonstrations and classroom sessions, so you can gain the most current information about the most recent techniques using the best tools, while you watch them being used. A full day of education seminars will also be available for store owners, managers and associates, featuring David Peters, Theresa Shannon, Anne Dale, Gail Levine, and GIA. Other industry and Stuller presenters will cover a variety of topics to help your store run smoother and more profitably!
